25+ years of style and performance

For more than 25 years, Premier has been shaping the way people dress for work. We understand that what your team wears reflects your brand, so we deliver premium, purpose-driven uniforms tailored to your industry, role and performance needs.

As we look ahead, we remain proud of the journey that has brought us here, from our roots in traditional workwear to becoming a leading name in hospitality and corporate dressing. We are a trusted supplier to thousands of resellers and garment decorators worldwide, providing quality garments designed specifically to be customised.

**BETTER
FABRICS**

Our clothing is designed to withstand the rigours of everyday wear and we encourage our customers to treat their clothing with respect and care to help extend their natural life cycle.

**BETTER
PACKAGING**

Since 2021 we have reduced single unit plastic packaging and increased the amount of recycled content within these units.

**BETTER
SOURCING**

The recycled polyester and nylon in our garments comes from pre- and post-consumer materials which are certified to the Global Recycled Standard (GRS) or the Recycled Claim Standard (RCS).

The organic cotton we source is certified to the Global Organic Textile Standard (GOTS) or the Organic Content Standard (OCS).

**BETTER
TRANSPORT**

We are striving to improve the way we import our goods into Europe and are working with key transportation partners to monitor and reduce the CO₂ levels we produce. We will always choose sea freight as our preferred method of transportation.

**BETTER
ENGAGEMENT**

It's important to us to give back, which is why we donate and sponsor charities that benefit the communities where our products are made.

In partnership with the Jaago foundation, we sponsor a class of 40 children at the Jaago School Banani Branch in Bangladesh.

**WHY WE'RE
COMMITTED
TO BETTER**

By introducing better materials and processes into our supply chain we minimise the impact on the environment.

We are forward-thinking and fashion conscious, whilst working to be as environmentally responsible as we can be.

As a business we recognise and embrace the need for change in the industry and are very excited about the developments within our company.

What’s new for 2026?

2026 opens an exciting new chapter for Hospitalitywear with the launch of Utility 2.0.

This modern, hard-working range blends timeless style with durable, stay-sharp fabrics, bringing fresh energy to everyday uniform. Think core staples like jeans and tees built to perform in demanding environments, next-generation aprons, and easy layering pieces you’ll want to wear beyond the shift.

Just as our ‘Artisan Collection’ redefined how hospitality teams dressed – the new ‘Utility 2.0’ Collection continues that evolution.

UTILITY 2.0

Made for what you do. Built for who you are.

UTILITY

2.0

STREET INSPIRED. SERVICE DRIVEN.

Inspired by the vibrancy and creativity of street food culture and based on iconic workwear styles. Utility 2.0 draws inspiration from bustling night markets, open kitchens, sizzling woks and the energy of food made with flair and shared with joy. It celebrates individuality, functionality and the new generation of hospitality professionals who bring their whole selves to work.

THE ARTISAN COLLECTION

CURATED COLOUR

ARTISAN STYLE

Here's a branding story showing how a simple mix of colours can create a welcoming, curated artisan look.

The classic black and white base layers ground the look, allowing the vibrant mustard yellow and earthy brown to pop. Paired with dark denim shirts and leather-look straps, the outfits feel warm, natural and stylish. It's a perfect example of how just a few colours can transform a uniform and how you can recreate a similar feel using your own brand palette.
